Professional Experience

Freelance Graphic Designer, *2021-2023*
- Successfully delivered diverse content for clients, including song posters, social media ads, T-shirt designs, brand identity, and pattern design, enhancing brand visibility and engagement.
- Collaborated with clients to understand their vision and requirements, delivering tailored design solutions that meet their needs.

University Projects

T-Shirt Printing Project, *September 2023*
- Led a project aimed at raising awareness against drug abuse in Punjab, utilizing screen printing and heat transfer techniques for T-shirt designs. Gained hands-on experience in fabric printing and contributed to social causes through design.

App Design Project, *December 2023- January 2024*
- Developed a mobile application prototype designed to combat gang violence in the UK. The project involved designing a user interface and functionalities focused on financial aid, fundraising efforts, and awareness campaigns. Demonstrated ability to address sensitive issues through thoughtful design.

Education
- Masters of Arts in Visual Communication, *University for the Creative Arts, 2023-2024*
- Bachelor of Education, *Guru Nanak Dev University, 2020-2022*
- Bachelor of Arts, *Guru Nanak Dev University, 2017-2020*
